Be part of VSDM's permanent tribute to all Veterans Service Dogs: past, present, and future

The Veterans Service Dog Memorial invites you to join supporters in creating America's First Memorial to Veterans Service Dogs by sponsoring a brick on the Patriot Paws Plaza.

The walkway that surrounds the center monument will make up the memorial. Beginning in 2026.

Bricks are a way to say thank you to the service dogs who trained, lived and devoted their lives, unconditionally to assist our injured veterans with mobility issues, PTSD, or countless other injuries that require daily support.

Whether an actual service dog, family pet, veteran dog lover or family member. Their names will become a permanent part of the memorial.
